# Maternal Health Services

For nearly 20 years, Volunteers of America Pennsylvania has provided in-home support to perinatal women and their families. New and expectant mothers and their children can receive necessary baby items, a support system and access to resources from prenatal to postpartum. All services are highly sensitive and responsive to the fact that the emotions that accompany the birth of a baby can be complex and overwhelming.

## Program Services :

- In-home visitation
- Person-centered case management
- Parenting education
- Sibling support
- Unlimited home visitation during pregnancy and post-delivery
- Health care navigation
- Direct support or referrals for childcare, housing, employment searches/application assistance, clothing, and food
- Information and education on GED classes /higher education
- STD education
- Personal finance and budgeting
- Assistance applying for benefit and entitlement programs
- Access to baby and family pantry

## Program Eligibility:

Women who are pregnant or families with a child up to 18 months. Siblings and family members are eligible for community health and social service-based services. There are no income guidelines or requirements.
